WARRIORS' CLUB EXECUTIVE MEETING:

1974

Warrior's Club Executive meeting held at the
Mount Stephen Club on Wednesday, May 15th at 5:15 P.M.

PRESENT:

Messrs: Terry Pye - President
Daniel McCann - Vice-President
Robert Bourgault - Alumni Director
Ronald Boucher - Alumni Director

Mr. Terry Pye agreed to remain as President for the
year 1974-75. Mr. Daniel McCann agreed to remain as Vice-
President, and we assumed that Mr. Frank McNally would remain
as a Director of the Club.

It was felt that the future success of the club
would depend upon our ability to obtain Directors who would
be responsible for and organizing new activities. The following
were suggested.

1. Touch football
2. Basketball
3. Badminton
4. Softball or fastball
5. Physical fitness program.

Mr. Terry Pye offered to get the badminton going and at
the same time would probably find someone to head up this activity.
Mr. Bob Bourgault will try and contact interested parties to head
up the touch football league, either inter-city or inter-mural.
Furthermore Dan McCann and Terry Pye thought that they could
find somebody for basketball and possibly soccer.

It was felt that the Activity Directors should be sought out immediately and confirmed before the end of May.

The hockey group will again be in operation under Terry Pye and Dan McCann, and it is hoped that they will be able to form an all-star team to play exhibition games throughout the Province.

The meeting terminated at 7:40 P.M.

The next meeting will take place in early September or sooner if required.
